Eastern Ontario Crop Conference 2011 – February 24th

The Eastern Ontario Crop Conference is a cooperative effort between the Ontario Ministry of Agriculture, Food and Rural Affairs and the Eastern Ontario Crop Advisory Committee. This annual one day conference is held the third week of February at the Kemptville Campus, University of Guelph.

The program is designed to provide growers and agribusiness personnel with the latest in-depth crop management information. Participants have the option of selecting up to 8 sessions from 22 presented concurrently throughout the day. This allowed participants to select topics of importance and relevance to them. Certified Crop Advisor credits are available for most sessions. Over 300 participants attended the 2011 Eastern Ontario Crop Conference.

Topics offered concurrently at the conference included:

- Market Outlook
- Precision Agriculture
- Tillage Systems
- Soybean Weed Control
- Problem Weeds
- Fertilizer for the New Yield Levels
- What's New in Weed Management
- Strategic Soybean Management
- Managing Edibles Beans for Maximum Profits
- Farm Drainage – What you should know before you dig?
- Improving Water Quality in Agricultural Landscapes
- Making Quality Hay
- Western Bean Cutworm
- Local Food Marketing Opportunities
- SMART Cereals
- Grain Dryer Quality vs. Efficiency
- Soil Sample Information
- Putting AgSmarts into Smartphones
- Chop it, Bury it or Leave it?
- Safety with Grain Storage Systems
- Bio-Economy Crops – What is happening in bio-economy crops
- Compost and other Non-Traditional Organic Sources

Plan to join us at the 2012 Eastern Ontario Crop Conference, which will be held Thursday February 23rd at the W. B. George Centre, Kemptville Campus of the University of Guelph. Participants will have the option of selecting up to 8 sessions from 29 presented. Program details and registration information are available at: <http://bit.ly/swyvny>
