

## Eastern Ontario Crop Conference 2012 – February 23<sup>rd</sup>

The Eastern Ontario Crop Conference is a cooperative effort between the Ontario Ministry of Agriculture, Food and Rural Affairs and the Eastern Ontario Crop Advisory Committee. This annual one day conference is held the third week of February at the Kemptville Campus, University of Guelph. The program is designed to provide growers and agribusiness personnel with the latest in-depth crop management information. Participants have the option of selecting up to 8 sessions from 28 presented concurrently throughout the day. This allowed participants to select topics of importance and relevance to them. Certified Crop Advisor credits were available for most sessions. Over 325 participants attended the 2012 Eastern Ontario Crop Conference.

Plan to join us at the 2013 Eastern Ontario Crop Conference, which will be held Thursday February 21<sup>st</sup> at the W. B. George Centre, Kemptville Campus of the University of Guelph. Participants will have the option of selecting up to 8 sessions from 27 presented. Program details and registration information are available at: <http://www.omafra.gov.on.ca/english/crops/conferences/20130221.htm>
