

## Eastern Ontario Crop Conference 2013 – February 21<sup>st</sup>

The Eastern Ontario Crop Conference is a cooperative effort between the Ontario Ministry of Agriculture and Food/Ministry of Rural Affairs and the Eastern Ontario Crop Advisory Committee. This annual conference is held the third week of February at the Kemptville Campus, University of Guelph. The program is designed to provide growers and agribusiness personnel with the latest in-depth crop management information. Participants have the option of selecting up to 8 sessions from 28 presented concurrently throughout the day. This allowed participants to select topics of importance and relevance to them. Certified Crop Advisor credits were available for most sessions. Over 300 participants attended the 2013 Eastern Ontario Crop Conference.

The program is designed to provide growers and agribusiness personnel with the latest in-depth crop management information.
