

Eastern Ontario Crop Conference 2015 – February 10th

The Eastern Ontario Crop Conference is a cooperative effort between the Ontario Ministry of Agriculture, Food and Rural Affairs and the Eastern Ontario Crop Advisory Committee. This annual one day conference is held the third week of February at the North Grenville Municipal Centre, Kemptville, ON. The program is designed to provide growers and agribusiness personnel with the latest in-depth crop management information. Participants have the option of selecting up to 8 sessions from 21 presented concurrently throughout the day. This allowed participants to select topics of importance and relevance to them.

Certified Crop Advisor credits were available for most sessions. Over 300 participants attended the 2014 Eastern Ontario Crop Conference.

Topics offered concurrently at the conference included:

1. What If This Is Normal?
2. Soil Fertility
3. Dirt Poor or Soil RICH!
4. Forage Survival
5. Winter Cereals as Forage
6. Crop Budgeting
7. What's Next in Wheat
8. Fertility Forum
9. Market Outlook
10. Corn Nitrogen Strategies
11. Precision Agriculture
12. Weeds
13. Insect and Disease Update
14. Pod Set and Retention Strategies for Soybeans
15. Greenseeker 101
16. Canola and Edible Beans Update
17. "Growing Forward 2 - What's in it for You"
18. Maximum Corn!
19. Spreading Manure while the Sun Shines
20. Agriculture Apps
21. Big Data

Plan to join us at the 2016 Eastern Ontario Crop Conference, which will be held Thursday, February 18th at the North Grenville Municipal Centre, Kemptville, Ontario. Participants will have the option of selecting up to 8 sessions from 22 presented. Program details and registration information are available at: www.eastontcropconference.ca
